**DIRECT DEPOSIT APPLICATION**  
**Retired Police & Fire**

Along with this application, YOU MUST PROVIDE A BANK DOCUMENT SUCH AS A VOIDED CHECK, OR BANK FORM that will provide us with the necessary account number and routing number information. A pre-notification test record may be sent to your banking institution prior to the actual deposit of your pension benefit into your banking account. Any changes, such as account number changes, or a change in the banking institution, may require a new pre-notification process. During this test process, you will receive a pension check until the direct deposit system can be activated reflecting the new information. We only deposit 100% of the net amount of your pension payment into one account. We can not split the deposit among multiple accounts. We can only deposit your funds to member institutions. While most banks, savings institutions, brokerage firms, and credit unions are members, some are not. If you wish to withdraw from the direct deposit program, you may do so by written notice. If the notice is received after the pension payroll has processed, the direct deposit will be stopped on the next available pay period. The Police and Fire Pension Fund reserves the right to pay by pension check in lieu of direct deposit should any unforeseen or emergency condition arise.

As a participating retiree in the direct deposit program, I authorize the Fund to withhold from any funds due me, the amount of any unearned funds credited to my personal bank account in my behalf.
